

Evaluation Measures of Excellent International Graduates of JHUN

In order to cultivate excellent international students who are knowledgeable and friendly to China, and encourage international students to study hard and take an active part in all kinds of activities, we especially carry out the specific regulations.

Article 1 Evaluation Objects

The graduating university international students admitted by this university

Article 2 Application Conditions

- 1) Have a good friendship with Chinese; comply with Chinese law and regulations as well as university disciplines consciously; No illegal behaviors at school;
- 2) Work hard, study assiduously and have good grades;
- 3) Pass the exam of HSK 4;
- 4) Participate actively in physical exercise, social practice as well as scientific and cultural activities, etc.;
- 5) Rank top 20% in students' comprehensive quality evaluation at university.

Article 3 Evaluation Proportion, Time and Incentives

- 1) Evaluation Proportion: 10% of the total number of current graduate students;
- 2) Evaluation Time: May to June of each year;
- 3) Incentives: Conferring student honorable title of *Excellent International Graduates of Jiangnan University* and award certificate.

Article 4 Evaluation Methods

The international students who meet the conditions as below will be awarded marks accordingly.

- 1) Pass new HSK 5 test, scoring two points;
- 2) Obtain Hubei Provincial Scholarships for Foreign Students in China, scoring 4 points/per time;
- 3) Publish academic papers in the professional Chinese core journals or English academic journals in the author's own field as the first author and authorize Jiangnan University as the first byline unit, 4 points/ article will be scored;
- 4) If the total score is the same, in turn, give priority to the following factors: times of obtaining scholarships and awards, new HSK exam grade, level of published papers,

average scores at school.

Article 5 Evaluation Procedures

- 1) Students' personal application.
- 2) Under the guidance of the instructor, the current international graduating students, according to the present measures and proportion, rank and determine the preliminary list; teacher (instructor) signs on it; then the list will be submitted to the university leader in charge.
- 3) The Department of International Relations checks the recommended lists, and then announces the total list in public for 3 days; if without any objection, the list will be submitted for university approval and issue public document.

Article 6 Explanation of Related Problems

- 1) For special reasons, students who need to return the home country to complete the graduation internship before graduation, on the year of completion of Theoretical Courses of Jiangnan University, can submit application; the certificate of honor will be issued with the graduation certificates and later together.
- 2) The international graduates who have made outstanding contributions to the development of Jiangnan University, through the evaluation and approval of university, can be directly awarded honorable title of *Excellent International Graduates of Jiangnan University* and certificate.
- 3) If the students who was named *Excellent International Graduates of Jiangnan University* violates the laws and discipline or fails to graduate (including failing in the courses exams, not completing the graduation thesis, graduation design or graduate internships, etc.), the school will cancel the *Excellent International Graduates of Jiangnan University* title, and take back the certificate of honor.

Article 7 This Measures goes into effect since November 8th, 2017 and the School of International Education is responsible for the explanation of these Measures.
